SCIS: AN IB CONTINUUM WORLD SCHOOL

Shanghai Community International School (SCIS) is one of the first international schools in Shanghai to become fully authorized as an International Baccalaureate (IB) Continuum World School, a world class academic program aimed at rigorous critical thinking and global citizenship. This accreditation extends across all SCIS Campuses, including Hongqiao and Pudong, providing a seamless program for students aged 2-18, and comprised of the Primary Years Programme (PYP), Middle Years Programme (MYP), and Diploma Programme (DP).

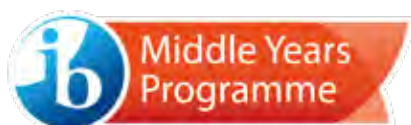

Additionally, SCIS is accredited through the Western Association of Schools and Colleges (WASC) and is a member of the East Asia Regional Conference of Overseas Schools (EARCOS) and the Association of China and Mongolia International Schools (ACAMIS).

NURSERY – GRADE 5 (AGE 2-11)

Primary Year Programme (PYP) prepares students to become active, caring, lifelong learners who demonstrate respect for themselves and others and have the capacity to participate in the world around them. It focuses on the development of the whole child as an inquirer, both within and beyond the classroom.

GRADE 6 – GRADE 10 (AGE 11-16)

Middle Year Programme (MYP) is a curriculum framework designed specifically for students developing in adolescence. The MYP is a five-year programme that encourages students to make practical connections between their studies and the real world. The MYP strongly considers the progression of the programme and aims to have the student well-prepared for studies in Diploma Programme and future studies.

GRADE 11 & GRADE 12 (AGE 16-18)

Diploma Programme (DP) is designed as an academically challenging and balanced programme of education. The DP takes place in the final two years of schooling and culminates with final examinations. The Diploma Programme is an internationally recognized programme that prepares students for success at university and life beyond.
